				TOTAL			15 Pcs.		11.3	m²

Technical drawing of a rectangular glass panel. The panel is light blue with a dark blue border. Dimensions are indicated: 290mm (width), 165mm (height), 450mm (total height), 110mm diameter (hole size), and 582mm (total width). Two orange circles represent mounting holes. The text '110mm diameter' is written inside the panel.
